**Water and sewer service connection fees are calculated in accordance with the Rate Schedule.**

**Sewer service connections to the City's sewer main require a right-of-way encroachment permit.**

**Applicable water and/or sewer service facility fees shall be charged and are calculated in accordance with the Rate Schedule.**

**A paid water connection fee shall include a City-supplied water meter and meter box.**

**Water service installation fees shall be charged if the applicant requests the City to install the water service. The applicable minimum installation fee is calculated in accordance with the Rate Schedule and shall not include any asphalt repair, if required.**
